

Photos 1 & 2. During the September 16, 2010 mosquito nets Handover Ceremony in Luanda, the Angola MosquitoNets Project donated 100 nets to a representative of the PROMAICA Group (“Women Helping Women”) who live in a poor neighborhood of Luanda. Photos are of the women receiving their nets on September 23, 2014.

Photos 3 & 4. Photos of the September 23, 2010 meeting of the PROMAICA group at which time the nets were distributed. Discussions were held on how to hang the nets. Photo 4 shows one of the nets which are family-size and *permanet* (permanently insecticide impregnated net).
